**Instructions:**

1. Send Shears, Scissors, Clipper Blades, or Knives wrapped and protected. Ceramic Clipper blades are extremely fragile. Sharp N All cannot be responsible for improper packaging on your end. Send in your case if you have one.
2. Fill out the list of items on the price worksheet.
3. Add up the totals at the bottom of the sheet and send a check for that amount.
4. If ordering new shears: go to Washi, or Bonika, find the shear you want, and then call me for discounted prices.
5. Post office has some great deals on shipping boxes. But you can save money by packaging your own.

\*\* Please add any notes [unusual issues; or return instructions etc] that you want me to know about your items.
